Upgrade your Boiler with Thames Flame

Thames Flame Boiler Installation Service

Making Your Home Warmer, More Efficient, and Comfortable

Who says getting a new boiler should be stressful? At Thames Flame, we firmly believe that it shouldn't be. We've made it our mission to simplify the process, providing you with expert guidance and exceptional service every step of the way.

When is the Right Time to Replace Your Boiler?

Boiler lifespans vary but on average they tend to keep chugging away for about 10 to 15 years. One great way to check is to keep an eye on your energy bills and how cosy your home feels. If your place is taking longer to warm up or you're having trouble with your hot water, **it might be time to think about getting a replacement.**

Why Should You Replace Your Boiler?

- ✓ Keep your home warmer and cosier
- ✓ Make your system more efficient
- ✓ Save on your energy bills
- ✓ Reduce your carbon footprint
